17028PE	N50 Marker	Bullet	2.2mm	Black	12	£14.68
17042PE	N50 Marker	Bullet	2.2mm	Blue	12	£14.68
17056PE	N60 Marker	Chisel	3.9-5.7mm	Black	12	£14.68
59039PE	N50XL Marker	Jumbo Chisel	Up to 17mm	Black	6	£25.70

DID YOU KNOW?

Permanent markers are permanent, but sometimes we wish they weren't. When permanent marker gets written somewhere we wish it hadn't, like a hard surface, try using a little toothpaste to remove the mark. Rubbing alcohol or hairspray soaked on an ink fabric stain and carefully blotted, then washed, should get the stain out.

FILING TOP TIPS:

#1 START SIMPLE

Come up with a system that's easy for you to use. You don't want your filing system to be more stressful than the stress it's supposed to alleviate.

#2 BE COLOURFUL

Files of different colours can turn your filing system into a work of art whilst also making it easier to locate the different subjects you're looking for.

#3 MAKE IT A HABIT

Get into a routine during the week to sort through your documents that have piled up on your desk and file the most important papers away.

Concord Coloured Manilla Dividers

- Organise file contents by subject. Write or type onto tabs
- Quality heavyweight 160gsm coloured board dividers
- Use a different coloured divider for each subject. Create individual indexing systems

3 REASONS WHY ERGONOMICS ARE IMPORTANT

Recognising the importance of ergonomics should be on the top of your to-do list for 2023 to help keep yourself and your workers injury-free.

IMPROVES QUALITY & PRODUCTIVITY

By designing a job to allow for good posture, less exertion, fewer motions and better heights and reaches, the workstation becomes 25% more productive. Poor ergonomics leads to frustrated and fatigued workers who don't do their best work.

01

02

IMPROVES EMPLOYEE ENGAGEMENT

If an employee does not experience fatigue and discomfort during their workday, it can improve morale and employee involvement. On average, there is a 58% reduction in employee absenteeism when providing better ergonomics.

REDUCES COSTS

Ergonomics ensures workers have full range of motion to complete a task. Ergonomics will not only save workers from work-related accidents, but also save companies from spending millions of pounds in compensation.

03

Monitor Arms

The cost-effective Vantage Monitor Arms are fully adjustable so that you can effortlessly position your monitor to your own personal settings to help prevent back, neck and eye strain whilst saving valuable space in your home or office workspace.

Office - Gas-spring technology for convenient, ergonomic monitor adjustment

Premium - For heavier weight and larger monitors and includes a quick release so monitors can be changed without the need for tools

Single Monitor Arm - for 1 x Monitor with VESA Standard 75 / 100
